*Academic Integration Scale:										
0 = no integration										
1 = minimal integration (periodic integration with no formal plan)										
2 = better than minimal but not quite moderate										
3 = moderate integration (planned integration with at least one academic teacher on regular intervals throughout the year)										
4= groups of academy students cohort scheduled into academics										
5 = full cohort scheduling of academy students in academics										
**Articulation Column:										
0 = no opportunity for college credit while in academy										
for specific articulation agreements, list school (PJC or UWF): Maximum # of hours a student can earn										
NOTE: All qualified academy students are eligible for dual enrollment and AP courses. It is also recognized that there is a UWF Career Academy Articulation Agreement in place that covers multiple programs.
